

PCHA TRAIL CLASSIC

As show season is passing us by, it has been a tough time trying to organize the PCHA Trail Classic. But on the heels of COVID-19, with a possible end always changing, we are left with no option but to postpone the PCHA Trail Classic until 2021. We would like to thank our sponsors and supporters through out the past 15 years and look forward to your continual support in 2021. With more time it will allow us to improve and make the classic even bigger with better prizes, saddles, food and over all fun.

Sincerely,

Renee Baker- Western Chairman
