

ANNOUNCEMENT

I'm so sad to report that due to COVID-19, the 2020 PCHA Baker Reining Classic Finals has been cancelled. Any western horse shows that are still held this year, and offer the Baker Qualifying Classes, your points will count toward the 2021 Finals.

We are already planning on having a bigger and better Baker Finals next year. It will be our **30th year!** The tradition will continue!

We will have prizes to one and all, saddles, monogrammed plates to qualifiers, and of course the magnificent "ten" perpetual trophies. Not to mention the "festivities" that go along with this event!

To keep the same level of excellence, and with the limits put on venues in California, the manufacturing and purchasing of our prizes, was turning out to be difficult at best.

We're hoping our wonderful and loyal sponsors and exhibitors who have been with us year after year, will be back for 2021 to help us make our return truly an event. Onward to 2021!

-Noopy
